Montgomery, Alabama, August 18, 2021- The Delbert B. Madison II Foundation has officially launched its organization in honor of Delbert B. Madison, II and the inspirational spirit that he possessed while combating Duchenne muscular dystrophy.

The Delbert B. Madison II Foundation is committed to giving back to the community to those who have persevered through a life challenge. In this effort, the foundation will present an annual scholarship to a Carver High School (Montgomery, Alabama) graduating senior and plans to extend to surrounding areas.

DBM2 is committed to investing in young people, and we believe that every act of kindness- even a small one can make a difference in changing a life. To apply, students must complete the application on the foundation's website, <https://www.dbm2foundation.com/>, and all other detailed requirements.

About the Foundation

The mission of Delbert B. Madison II Foundation is to provide economic opportunities to individuals who have persevered through a life challenge. The vision of Delbert B. Madison II Foundation is to provide financial scholarship opportunities to students at Carver High School (Montgomery, Alabama). This program will grow and expand into other schools in the Montgomery County area.
